2007 - Cog 'n Pen

The Central High School Class of 2007 "Cog 'n Pen" brings, yet, another another four years of hard work, dedication and fun to a close as we venture out to explore the world. "Until We Meet Again..." is our departing axiom. When we see each in our very distant, and not so distant future, we pledge to bring stories of success, grace, and growth. The Class of 2007 will always remember the fond lessons that were taught at "Our Lady on the Hill". We will take those lessons to heights unknown as we head off into the world that awaits our young minds and creative ideas about this place we call home. "Until We Meet Again..." let's keep our memories near -as we use them to get us through, our friends close -as we will need them, and our goals clear, as we return home to contribute to the growth and development of ourselves, our family, our community and our World.

The Administration

The Administration

Mr. Gregory Stewart
Principal

Thirty-nine years ago, I walked into Central High School, as a freshman –bright-eyed, wanting to impress and hoping to be a teacher or a lawyer. It is now 39 years later and I became a teacher, department chairman of Social Studies, a football, track, bowling & golf coach, class advisor, Vice Principal and finally the Principal. All of those jobs had one common ingredient –I love my job, the students I represented, the parents and the community.

This will be my last year but hopefully, my legacy to those students, teachers, and administrative staff is that when you care about children, they will care about you. When you are passionate about the job, your rewards will be beautiful.

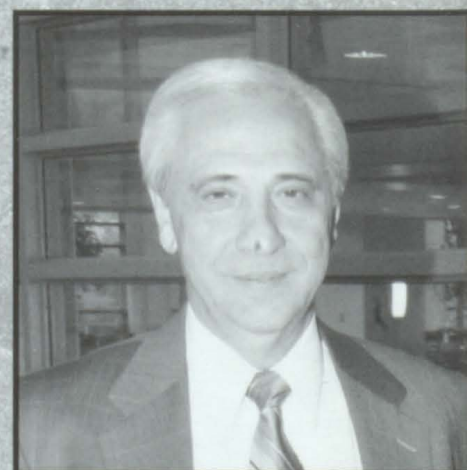

Good luck in the new school my future Blue Devils and to the Class of 2007. You will be remembered in my heart the longest because you are the last class that I represented.

MR. GREGORY STEWART

Born and raised a Blue Devil, Mr. G. Stewart's dedication to the school is cemented in the history of "Our Lady." "Stew", as he has been affectionately called, started as a student... became a Teacher, Coach, Dept. Chair, Vice Principal and lastly, Principal. He has been here for 35 years.

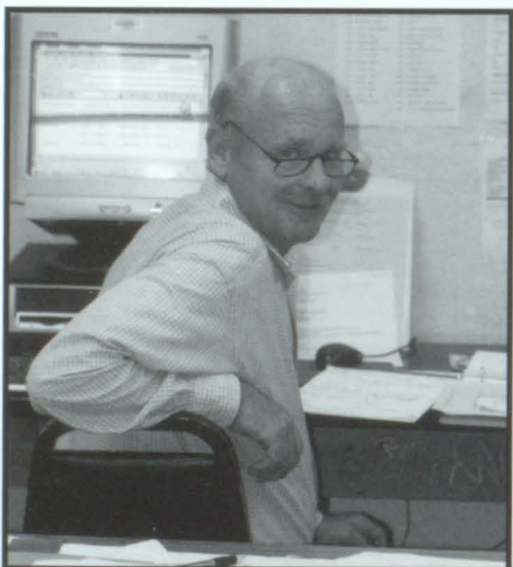

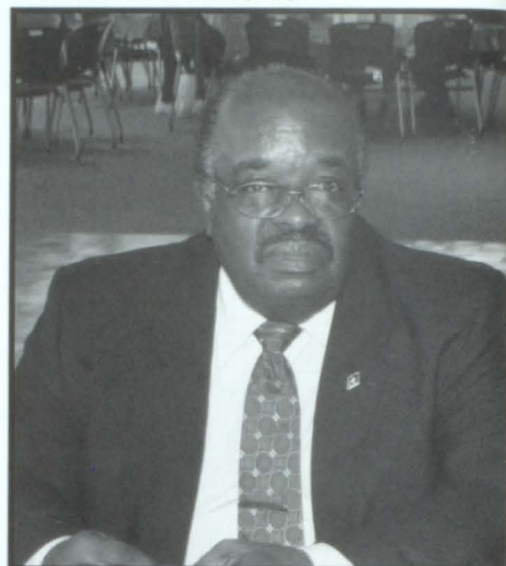

MR. G. MORANO

A former Math and Technology Teacher, Mr. G. Morano has been at Central for the last 11 years. However, he has working in the Newark Public School system for 43 years. When asked what he will miss most, he simple said, "The Students." Did you know that he is also a pilot and has a Doctorate Degree?

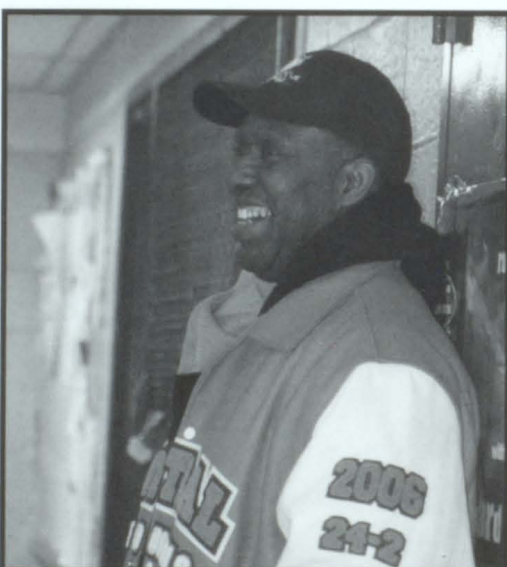

MR. C. FERGUSON

Mr. "Ferg" has been a part of the Blue Devil family for many years. Like our Principal, he is also a home grown veteran. Mr. Ferguson taught in the Social Studies Dept. for 34 years before becoming the Chairperson. With a total of 37 years in education, we will miss having him around. He will miss the staff and students.

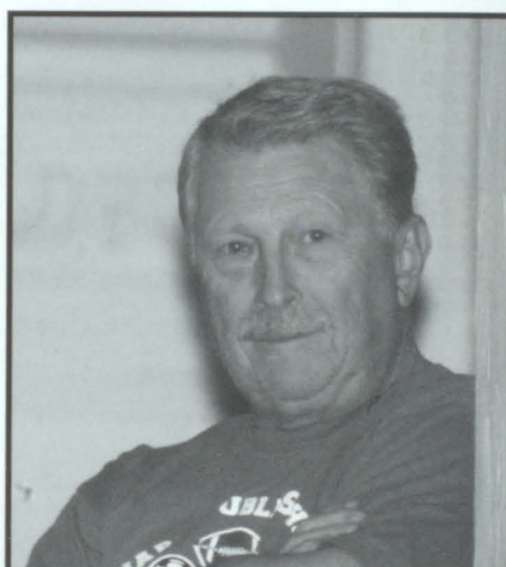

MR. G. BORGES

Mr. Borges started in tenure at Central High School 39 years ago. He brings a total of 43 years of experience. As a teacher, Mr. Borges taught Business related courses -mostly accounting. He says that he will miss the students and a few teachers. We wonder which ones. Mr. Borges also worked with Careers to Schools and was the school treasurer.

MR. C. BLUE

Coach Blue has spent 29 years at Central High School. He was in education for 33 years combined. He taught woodshop, mechanical drawing, graphic arts, CAD, Freshmen Seminar. During the 2005-06 School year, Coach Blue was named Coach of the Year and won the Mountain Valley Championship and North Jersey Group II State Championship. Thank you Coach for teaching how to win!!!

MR. R. SIMMONS

"Everyday was different," says Mr. Simmons when asked what he would miss about Our Lady on the Hill. Mr. Simmons spent 34 years and 4 months in education -28 of those were spent here at Central High School. He will be remembered as a teacher of Physical Ed, Health, Water Safety and Driver's Education. Thank you Mr. Simmons for your work with students at Central High.

MRS. P. JACKSON

Who's going to miss Mrs. Jackson clearing the halls? We all will! Mrs. Jackson has been a part of the Blue Devil Family for over 30 years. She has served as the Department Chair of Special Needs and Social Studies.

MRS. M. TERRY

When we meet people in the street and tell them that we attend Central High School, they always ask, "Is Mrs. Terry still there?" That is something to be said about a lady who truly loves Central High School. They all offer fond memories of "Momma Terry." We will miss you dearly.

THANK YOU
FOR
OVER
300
YEARS OF
SERVICE

MS. R. WALDRON

The Guidance Department will not be the same next year, and for years to come. Ms. Waldron, a part of Central for over 25 years. She has help thousands of Blue Devils transition from high school to college, military, trade school, etc. Still running around now, as she plans her exit from Central, Ms. Waldron will be missed by all of us.

MRS. HOBBS

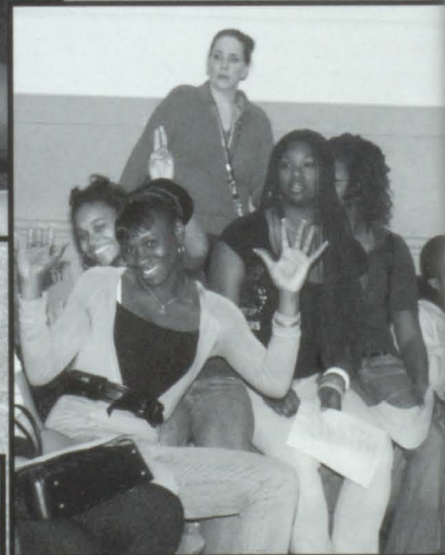

While we all learned how to walk when we were toddlers, and talk as young pre-schoolers, Mrs. Hobbs taught how to really walk and talk as young adults. She is definitely the "A" in the word attitude. We thank Mrs. Hobbs for guiding us and teaching us how to stand tall. We really do get the message.

The Class of 2007 will be stepping out with 10 great educators this year. Providing more than 300 years of service, combined, we are grateful to have shared space with these incredible people who have defined what it means to be a Blue Devil during the last quarter century. So, we dedicate this year's Cog 'n Pen to these 10 individuals who have taught and trained many of us as well as our parents... and yes, some of our parents' parents. We will never forget the fond memories that we created at Our Lady on the Hill.

We will miss you and we love you all.

TO THE CLASS OF 2007!

WE HAVE FINALLY MADE IT TO THIS POINT THAT WE HAVE DREAMED OF FOR SO LONG. THIS ISN'T THE END, BUT MERELY THE BEGINNING OF A NEW CHAPTER IN OUR LIVES. IT WAS FUN AND THE EXPERIENCES THAT WE'VE ENDURED HAVE SHAPED US FOREVER.

LOVE YOU ALL AND GOD BLESS!

SHA'RITA WILLIAMS

Do you remember the first day of high school? Dragging through the doors -nervous and shaken, not knowing what to expect but anticipating the worse. How we have grown from those days. Now we stand with our heads high, full of confidence, and aware of what we want in life. As we depart from our high school experiences, we learn to live and live to learn because we no longer have someone here to hold our hands and lead us. We continue the journey on our own to strive for survival and success in which I strongly believe the class of 2007 will prosper. However, remember it does not end here, this is only the beginning so....
